Teams: All Undergraduate Research Scholars must complete their own Progress Report.

4. How has your project timeline changed? Describe your plans to continue writing, keeping in mind the deadlines for the second (January 24) and third (February 28) installment deadlines, as well as the final thesis deadline (April 10).

5. Was your proposal identified as needing compliance approval (IBC, IAUCUC, IRB)? If so, how have you secured this approval?

6. Which citation software are you using/plan to use (e.g., RefWorks, EndNote, Zotero)?
